

## Haemophilia Foundation Queensland Member Information Form

### Privacy Policy

Please note: This information helps Haemophilia Foundation Queensland (HFQ) provide services and programs that meet your needs and areas of interest. HFQ respects and upholds your rights to privacy protection. HFQ complies with the provisions of the Privacy Act and no release of information will be made without your informed consent unless requested by law.

In accordance with the National Privacy Principles, we have a detailed Privacy Policy and a set of procedures regulating how we collect, use, disclose, and hold your personal information.

Joining HFQ automatically entitles you to have access to HFA services and programs, including receiving their quarterly newsletter National Haemophilia.

**Please tick here if you do not want your name and address recorded on the HFA database .**
